My best wishes from Geneva

Dear Mr Haradhan Banik,

With reference to your letter received on 25 May 2014, we thank you for your request for targeted support from the UN-REDD Programme to ensure continuity of the work initiated on the MRV Action Plan until the implementation of the National Programme can start.

We are pleased to inform that the UN-REDD Programme, through FAO, will support the proposal with a total amount of US\$ 95,000. The funding will support the activities to reach the following results, as outlined in the proposal:

- National stakeholders prepared for the inception phase of the Bangladesh National Programme;
- Capacity built on geospatial data processing and database management; and
- Capacity built on GHG inventory of the LULUCF sector.

It is noted that the support will be bridging the activities under the initial targeted support to Bangladesh and its National Programme.

The regional teams stand ready to provide all the assistance you may need. The contact persons are: Ben Vickers ([ben.vickers@fao.org](mailto:ben.vickers@fao.org)), Timothy Boyle ([timothy.boyle@undp.org](mailto:timothy.boyle@undp.org)) and Thomas Enters ([thomas.enters@unep.org](mailto:thomas.enters@unep.org)).

We are looking forward to continued collaboration with Bangladesh in the country's REDD+ efforts. It was also a pleasure to meet you in Lima at the Twelfth Policy Board meeting and thank you for your great contributions to the discussions.

Sincerely,

Mario Boccucci  
Head, UN-REDD Programme Secretariat
