Dr Wassouni

REDD+ National Coordinator

Ministry of Environment, Protection of Nature and Sustainable Development

The Republic of Cameroon

Dear Dr Wassouni,

With reference to your letter received on 1 July 2013, requesting targeted support from the UN-REDD Programme, I am pleased to inform you that the requested funding by the Government of Cameroon for the Objectives 1 and 2 of the overall proposal "Building national capacity for stakeholder participation in for forest governance – FLEGT, REDD+ Interface "has been approved.

The UN-REDD Programme, through the Food and Agriculture Organization of the United Nations (FAO), will financially support the proposal of the Ministry of Environment, Protection of Nature and Sustainable Development, with a total amount of US\$35,800. The support provided by FAO will contribute to national efforts to strengthen cross-sectoral coordination. In particular, it will aim to (1) raise awareness of relevant stakeholders on the linkages between REDD+ and FLEGT and encourage their participation in the coordination between the processes; and (2) facilitate regular information-sharing between REDD+ and FLEGT processes and stakeholders.
