TO: MR. MARIO BOCCUCCI
HEAD OF SECRETARIAT
UN-REDD PROGRAMME

Dear Mr. Boccucci,

On behalf of the Ministry of Environment and Green Development of Mongolia, I would like to express our gratitude for approval of National Programme.

With this letter, I would like to submit Mongolia's application to access the Targeted Support Funding that will be essential in ensuring successful initiation of National UN-REDD+ Programme implementation.

The Ministry plans to utilize the Targeted Support funding to implement the following actions.

Requested Support	Amount (US\$)
1) Conduct a consultation and learning workshop, building knowledge about potential benefits and risks for REDD+ in Mongolia (that contributes to the delivery of Roadmap Component 4).	68,700

2) Technical support from UNEP- WCMC staff	102,000
--	---------

We are confident that the Targeted Support funding will help maintain the current momentum towards REDD+ readiness as complemented by the other ongoing efforts by Government of Mongolia.

Thank you in advance for your kind consideration and look forward to receiving continued support from the UN-REDD Programme.

Please accept, Sir, the assurances of my highest considerations on this matter.
