Dear *Mr. Boccucci*:

Warm Greetings!

In order to strengthen the implementation of REDD-plus programs, projects and activities in the Philippines, we are respectfully submitting our request for UN-REDD Targeted Support to be forwarded to the UN-REDD Policy Board. This will help us develop our National Forest Monitoring System that could address not only REDD+ concerns but the general condition of the Philippine forest.

Please find attached our proposal for the development of a National Forest Monitoring System under the UN-REDD targeted support program. We hope that our request will be favourably considered.

Thank you.

Very truly yours,

ATTY. ANALIZA R. TEH, CESO II
Undersecretary and Chief of Staff
