

UN-REDD Plans ahead: Update and Discussion

Mario Bocucci

5th Executive Board Meeting
2 September 2021 | Virtual

Outline

- Context
- UN-REDD Results Framework
- UN-REDD operational modalities
- 2022-2025 work plan and budget
- Discussion

Context

- IPCC 2021
- Shifting the needle
- Scaling up supply and demand

2021-2025 Results Framework

OUTCOME 1 – FOREST SOLUTIONS REALISED

Forest-based GHG emission reductions and enhanced removals, of increasing quality, unlocked at a level of 1 GtCO₂e per year

1.1 REDD+ investment plans/programmes

1.2 Forest landscape restoration

1.3 Deforestation-free commodity supply chains

1.4 Monitoring systems for high-quality and accurate emission data

1.5 Safeguards addressed and reported

OUTCOME 2 – FOREST SOLUTIONS REWARDED

Enabling USD 5bn mobilised for REDD+ from RBP schemes, carbon markets and other transactions under Art. 6 of the Paris Agreement

2.1 RBP for REDD+ results

2.2 Market transactions

2.3 Private-sector forest carbon investments

OUTCOME 3 – FOREST SOLUTIONS ENHANCED

More than 15 countries enhance significantly the forest component of their NDCs in the 2020-2025 cycle

3.1 NDCs mitigation actions in the forest and land-use sectors

OUTCOME 4 – CONNECTING ACTORS & KNOWLEDGE FOR FOREST SOLUTIONS

A global, transformative NbS movement accelerates climate action

4.1 Knowledge on how to scale up REDD+ implementation

4.2 Collective political and societal support to NbS

4.3 Digital cooperation and frontier technologies

UN-REDD operational modalities

- Scale
- Agility for new opportunities
- Country ownership and socially inclusive
- One UN and capitalizing on respective strengths

2022-2025 Work plan and Budget

- Focus: new results-based financing opportunities
- Components
 - Country support: REDD+ implementation, increasing ambition, forest solutions in NDCs, high integrity of results
 - Knowledge and comms support: guidance, tools and activities, good practices of innovative and scalable REDD+ solutions, informed by real-world experiences
- Budget: USD 40M over four years
- Other donors

Discussion

- Any comments or question for clarification on the work plan and budget 2022-2025?
- Any feedback on next steps?
- Any strategic suggestion to UN-REDD for 2022-2025?
